## Orton-Gillingham Tutors of Manitoba

*Do you know a child struggling with reading and writing?*

All of our Manitoba O-G Tutors have extensive training in Orton-Gillingham tutoring methods. Orton-Gillingham is an instructional approach intended primarily for use with persons who have difficulty with reading, spelling, and writing of the sort associated with dyslexia. It is most properly understood and practiced as an approach, not a method, program, system or technique. In the hands of a well-trained and experienced instructor, it is a powerful tool of exceptional breadth, depth, and flexibility.
